FONT FAQ

HOW TO INSTALL YOUR FONT

You will receive your files as a zipped folder. For instructions on how to unzip your folder, visit LauraWorthingtonType.com/faqs/.

Your font is available in two formats: TrueType Font file (.ttf) and OpenType Font file (.otf).

If you have a Mac® or newer Windows® computer, install the .otf file(s). If you have an older Windows computer, install the .ttf files. Install the font by double-clicking on the .ttf or .otf file. When the pop-up menu appears, click on Install font (Mac) or Install (Windows). Fonts may also be installed by dragging and dropping them into your system's font folder.

After installing your font, save a copy of the downloaded font files in a folder on your computer as a resource in case you want to re-install the font or transfer it to a new computer.

HOW TO INSERT SWASHES,
ALTERNATES, AND ORNAMENTS

Some programs have a glyphs or symbol panel where the complete font including swashes and ornaments can be accessed and inserted directly. For programs that do not have a way to directly insert the swashes, the easiest method of putting in alternate swashes or symbols is by using either Character Map (Windows) or FontBook (Mac).

Character Map (Windows)

Character Map is a standard Windows utility and can be found in the Start Menu's accessories folder (Windows XP, Vista, 7) or in All Apps under Windows Accessories (Windows 8.1, 10). Character Map can also be found by searching for it by name.

Select your font from the drop-down menu. Character Map will show all available glyphs. To quickly find the swashes, change Group By to Unicode Subrange, and select Private Use Characters from the pop-up menu. Click on any swash and then copy and paste it into your document.

See the Character Map Video for a demonstration.

FontBook (Mac)

Font Book is a standard Mac utility program and can be found in Finder under the Go menu under Applications. Once FontBook is open, go to the View menu and select Repertoire. Click on User in the left panel and then select the font name to see all available swashes in the font. Click on any swash and then copy and paste it into your document.

See the Font Book Video for a demonstration.

LICENSING

Your font comes with a standard one-user license. This license covers one person with up to five workstations (laptop, desktop computer, etc.) connected to one printer or output device. For more

than one user and/or more than five workstations, please contact me at help@lauraworthington.com for a multi-user license.

This font is available for both personal and commercial use. For details on licensing, please visit my FAQ page at LauraWorthingtonType.com/faqs/.

FONT SUPPORT

Visit my FAQ page at LauraWorthingtonType.com/faqs/ for information on licensing, installation, and both general and software specific questions.

Adorn Garland Smooth

Adorn Garland is a script face that runs along a different, and somewhat “vintage” direction. Beautiful as it is, it works as more of a textural element than a headliner, a supporting actor rather than the leading role—though designers can make much of it on its own if they choose. It’s not the bold statement; it’s the subheading, the afterword, the reminder: “Wedding reception to follow.” With its slow, and gently deliberate style, and long entry and exit swashes, it can function as a long string, rule, or dividing line. Rather than deriving its strength from a heavy skeleton or structure, it uses its sense of contrast, its light touch upon the page, and its elongation to provide a visual break. With 234 swashes and alternates.

in her own mind (as
well as she could, for the
hot day made her feel very sleepy

be worth the trouble of getting
up and picking the daisies,
when suddenly a White Rabbit

The label is enclosed in a dark brown, ornate frame with decorative corners. At the top center is a starburst ornament. The word 'Adorn' is written in a large, elegant cursive script. Below it is a central emblem: a dark brown shield with a white heart-shaped design, flanked by two scroll-like elements. To the left of the shield is 'No 536' in a cursive font, and to the right is 'CEYLON TEA PINOT NOIR' in a small, clean sans-serif font. Below the shield, the words 'PLUME and BLOOM' are displayed, with 'and' in a cursive script and 'PLUME' and 'BLOOM' in a serif font. Underneath are decorative flourishes and the text 'BESPOKE ADORNMENTS'. The phrase 'Always Elegant' is written in a large, flowing cursive script. At the bottom, a ribbon banner contains the text 'Quality & Compatibility'. Below the banner, the text 'THE HONOUR OF YOUR PRESENCE IS REQUESTED' is written in a serif font, accompanied by a small bird illustration on the right. The entire label is decorated with various typographic styles and ornamental elements.
